## **SIXTH Annual Island Fishing Derby Registration Form**

This fishing derby will help to promote St. Joseph Island and showcase the Conservation Centre and activities of the St. Joseph Island Hunters and Anglers. The event will cover any Ontario waters in contact with St. Joseph Island including waters along the north shore from Bar River to Thessalon and be open to all levels of anglers from kids fishing from a dock to anglers fishing in fully equipped boats.

The derby will run from 6 am on June 29th to noon on July 7th to coincide with the Ontario Government's free fishing week.

This is a cash tournament with 70% payout.

Species included in the derby will be bass/pike/perch/pickerel/salmon (including trout) and lake herring (cisco). Prizes will be awarded for the longest fish in each category and will be based on a photograph of the fish, so catch and release will be possible. Additional draw prizes will also be awarded.

We will be providing the tournament rules and a measuring device when you register and outline how the photograph must be taken and submitted. A maximum of 3 photos can be entered for each species per registered angler.

A meal is included with your registration, and you must be available at the presentation event on July 7<sup>th</sup>, to receive draw prizes. **Cash prizes for the longest fish categories will be awarded to the winners even if they are not in attendance at the awards ceremony.** Prizes will be presented after 4 pm on July 7th at the Hunters and Anglers Conservation Centre, located at 1802, 20th Side Road, St. Joseph Island.
