

ST. Joseph Island Hunters and Anglers Photo Contest

CATEGORIES – Wildlife (animals, birds, fish, insects.....)

Hunting shot i.e. holding or showing a dead animal.

Fishing shot--- i.e. reeling in the big one.

Scenery

Trail Camera photo

Video – wildlife, fishing, or hunting

RULES – Must be a club member

Photos must be 8" X 10"

This is a contest of images of wild North American scenes or animals, no photos of pets, domestic animals, zoo animals or game farm animals allowed.

Photos should accurately reflect the reality of the subject matter or scene as it naturally appears.

Slight adjustments of colour, contrast and exposure are allowed, as in cropping. Photos heavily digitally altered or the digital composite will be disqualified.

No names, locations etc., on photos.

Each person can enter TWO photos for each category.

Photos to be entered in Dec. (date to be chosen later) for judging that same night.

JUDGING – Special night set aside for photos/videos voted on by everyone in attendance (can vote once for each category).

Winners will be posted for viewing on the club house wall.

One winner in each category, to be framed and placed on the club house wall for two years then put in a photo album.
